“THE MYSTICISM OF THE WORD IN ST. THOMAS AQUINAS

Dr. Anthony Lilles

The Angelic Doctor, St. Thomas Aquinas, saw his highest work as commenting on the Sacred Page. This talk will turn a contemplative gaze to his commentary on the Prologue of the Gospel of St. John (Jn 1:1-18). It will explore and draw forth seeds of insight and build upon them to open up a rich spirituality of the Word. St. Thomas famously finished his life in the aura of silence, a silence caught up precisely in the mysteries of the Word to which John's Prologue bears witness.
