& DOMINIC
A MYSTICISM
OF THE WORD

THE WORD MADE FLESH

Sr. Ana Chiara, DLJC

The Word became flesh in Jesus in the Incarnation. Yet, through our attentive, lively, and relational listening to the voice of the Lord through the Scriptures, we are to allow the word of God to dwell in us so richly that it becomes “incarnate.” By praying with the word of God and letting it transform us grace by grace and glory to glory in our day to day lives, we become little images of Jesus and extend His love to those around us in our world today. Using examples from the life of St. Francis, we will see how the word of God was so real to him that it took on flesh in him radically in a way that continues to transform our world.
